

Install a Programmable Thermostat and receive a rebate!

Indianola Municipal Utilities Programmable Thermostat Rebate Program

Install an Energy Star qualified programmable thermostat in your home or business and Indianola Municipal Utilities will apply a credit to your city utility account! Rebate will be paid for new installs only. Replacement units do not qualify. *New construction is also excluded.*

Rebate Amount for Qualifying Units:

\$25 per newly installed thermostat; IMU reserves the right to cap the number of units per customer, per program year.

Qualifications:

- Programmable thermostat must be installed in a residence/business served by IMU electricity.
- Programmable thermostat must be Energy Star qualified.
- New installs only. Replacement units do not qualify. *New construction is also excluded.*
- *The IMU program year begins July 1 and ends on June 30.

Application Requirements:

- Completed and signed rebate form (may be filled out on-line at www.i-m-u.com).
- Itemized invoice providing the purchase date, model name and model number.
- Application and invoice must be received within *six months* of purchase date or rebate will be denied.

Electric, Water and
Communications

PROGRAMMABLE THERMOSTAT REBATE

Customers are required to complete and sign this application form. Please attach a copy of the itemized invoice from the contractor and return to IMU at the address indicated below. IMU reserves the right to deny applications where the cost exceeds the benefit in terms of increased efficiencies.
